Health Theme this year.... "Feed the Positive Dog"

A man travels to a village to speak to the wise man. He says to the wise man, "I feel like there are two dogs inside me. One dog is positive, loving, kind and optimistic and then I have this fearful, pessimistic, angry and negative dog. They fight all the time. I don't know who is going to win." The wise man thinks for a moment and responds, "I know who is going to win. The one you feed the most. So feed the positive dog."
